such matter shall not be dealt with by the Committee but shall be disposed of at a combined meeting of the boards of directors of the Two Condominium Corporations. Any such meeting shall be called in accordance with the provisions hereof for the calling of a meeting of the Committee. At any such meeting of the combined boards of directors of the Two Condominium Corporations, any resolution or matter coming before the meeting shall only be passed, approved and consented to by a governing vote of the majority of directors in attendance at the meeting in the same manner as if the directors of the Two Condominium Corporations were directors of a single condominium corporation, and the minimum quorum for such vote shall be a majority of the directors being present from each Corporation. In the event of a tie vote, then the matter shall be deemed to be disallowed unless the matter involves the breach of an express duty of the Committee as hereinbefore set out, and the matter in dispute (or for which there is no consensus) shall be referred to arbitration in accordance with Article 11 hereof for resolution.

5.8 Substantial Change

No substantial alteration, improvement or renovation or any substantial addition to the Shared Facilities or any Assets of the Committee, as contemplated under Section 97 of the Act, may be effected by the Committee or any of its officers without the proper resolutions being passed by each Corporation in accordance with Section 97 of the Act. For the sake of clarity, this provision shall not be construed by any member of the Committee to delay or hinder the repair and replacement, both before and after damage, of any part of the Shared Facilities.

5.9 Duty to Conform

Each Corporation hereby covenants and agrees with the other Corporation that it shall not amend its declaration, pass by-laws or rules governing the management, maintenance, repair and operation of the Shared Facilities which are in any manner whatsoever inconsistent with the terms and conditions of this Agreement. Each Corporation shall be under a further duty to pass only those rules and regulations respecting the management, maintenance and use of the Shared Facilities that are adopted and recommended to it by the Committee.

5.10 Service Contracts

All contracts for services, supplies and materials for or in connection with the Amenities or any of them shall be executed by each of the parties hereto unless the parties have appointed, collectively, an attorney or agent for such purpose who may but need not be one or more officers of the Committee.

5.11 Liability Insurance

The members and officers of the Shared Facilities Committee and the Committee itself shall be insured against personal liability respecting errors and omissions arising from or in connection with the performance of their duties hereunder at the cost thereof borne by each of the parties hereto in accordance with its Proportionate Share or contribution toward the costs of maintaining the Shared Facilities, and the Committee shall be indemnified jointly and severally by each of the parties hereto. No compensation (save for out of pocket disbursements) shall be paid to members of the Committee.

Article 6
PAYMENT, ASSESSMENT AND COLLECTION OF THE SHARED COSTS

6.1 Proportionate Share

All expenses, charges and costs relating to the maintenance, repair, replacement and inspection of the Shared Facilities shall be paid and any surplus allocated in accordance with each Corporation's Proportionate Share.

6.2 Instalment Payments

Upon receipt of the Shared Facilities Budget for the next ensuing calendar year, each Condominium Corporation shall pay to the Committee in equal monthly instalments on the first day of each and every month next following the delivery of such Budget, until such time as a revised or supplementary Budget shall have been delivered to each of the parties hereto, an amount equal to one twelfth (1/12) of its Proportionate Share or contribution of the total of such Budget. In the event that the Budget is increased or decreased from time to time by the Committee, the monthly payments required to be made by each of the parties hereto to the Committee shall be increased or decreased accordingly.

6.3 Spending Limit

Where the cost of repairs or work to be performed or the acquisition of equipment or chattels relating to the Shared Facilities does not, in the aggregate, exceed the Budget provision for that particular category, the Committee may proceed to carry out the repairs or have the work performed or purchase the appropriate equipment or chattels; otherwise, any higher contemplated expenditure in excess of the greater of Five Thousand Dollars ($5,000.00) or two and one half per cent (2 1/2%) of the then Shared Facilities Budget for such expenditure (in the aggregate) shall require the prior approval of each of the parties hereto unless the nature of the repair or the work to be performed can be reasonably considered to be of an emergency nature, the failure of which would likely result in a hazardous situation causing personal injury, interruption of services or causing damage to the

Shared Facilities or unless such expenditure is required in order to ensure that the parties hereto comply with the zoning by-law, any development agreement affecting the site, and any governmental by-law, ordinance or regulation.

6.4 Additional Assessment

Subject always to the expenditures being authorized in accordance with this Agreement, any expenditures not contemplated in the Budget prepared by the Committee or any expenditures in excess of those expenses budgeted for by the Committee and for which the Committee shall not have sufficient funds, shall be paid by each of the parties hereto in accordance with its Proportionate Share or contribution. Such payment shall be made to the Committee within thirty (30) days after delivery by the Committee to each party hereto of a statement of such extraordinary expenditures and/or deficiency.

6.5 Shared Facilities Reserve Fund

Each Corporation, upon receiving a copy of the periodic appraisal for the Shared Facilities Reserve Fund and the Shared Facilities Budget including an allocation toward the Shared Facilities Reserve Fund account, shall include in their respective Budgets for their Proportionate Share or contribution hereunder an amount that, calculated on the basis of the expected major repair and replacement cost and life expectancy of things comprising the Shared Facilities and the Assets of the Committee are reasonably expected to provide sufficient funds for the expected major repair and replacement of the Shared Facilities and Assets of the Committee. The parties hereto shall open and maintain at a chartered bank or trust company a separate account designated as the "**Shared Facilities Reserve Fund Account**" in the names of the Two Condominium Corporations and shall designate by resolution of the respective boards of directors such persons or officers of the Committee authorized to make, assign, draw, accept, endorse, negotiate, deposit or transfer any cheques, notes, drafts and orders relating to said trust account.

6.6 Lien Provision

In the event that either Corporation (the "**defaulting party**") shall be in default in payment to the Committee of its monthly assessment for the maintenance of the Shared Facilities, or in payment to the Committee of any extraordinary expenditures set out above, such that the remaining Corporation is required to contribute the defaulting party's Proportionate Share or contribution, the Contributing Corporation (the "**creditor party**") shall have a lien to secure the payment of such sum of money together with interest thereon calculated from the date of default until the receipt of payment at the rate of four per cent (4%) above the prime lending rate charged from time to time by the Royal Bank of Canada to its most credit worthy customers, plus all reasonable costs incurred by the creditor party or parties in the preparation and filing of the lien, against the lands and assets of the defaulting party. Such lien shall arise immediately upon the giving of notice by the creditor party to the defaulting party demanding payment of said sum of money by the defaulting party and asserting said lien against the lands and assets of the defaulting party, by the filing of a caution or other notice that may be permitted according to the provisions of the *Land Titles Act of Ontario* or any amendments thereto, or such other legislation as may be applicable to the title of the lands (including the common elements) of the defaulting party from time to time. The lien shall be enforceable in the same manner as a mortgage in default pursuant to the provisions of the *Mortgages Act of Ontario*, and any other applicable statutory provision or common law or equitable principle applicable thereto. In the event the Land Registrar requires any creditor party seeking to enforce such lien or charge against the registered title of the lands intended to be secured thereby, to apply to a court of competent jurisdiction for an order, direction, advice or authorization prior to such Land Registrar allowing the registered title of such lands to be amended as a result, such creditor party seeking to enforce such mortgage or charge granted to it hereby, shall forthwith apply to such court for any such required order, direction, advice or authorization and the defaulting party hereby consents to any such application so being made for this purpose. Any monies arising from any permitted sale of those lands encumbered by the lien or charge granted pursuant to this Article 6.6 shall be applied in the first place, to pay and satisfy the costs and charges of preparing for and making any sale as aforesaid, and all other costs and charges which may be incurred in and about the execution of any of the duties thereby resulting on the party enforcing the lien or charge, and in the next place, to pay and satisfy such defaulting party's Proportionate Share or contribution towards the costs or expenses required to be paid by this Agreement, and interest thereon which such defaulting party was required to pay in accordance with this Agreement, and finally to pay the surplus, if any, to such defaulting party or to its successors and assigns.

Article 7
INSURANCE

7.1 Minimum Coverage

The Two Condominium Corporations agree to obtain and maintain public liability insurance with respect to incidents or occurrences upon or within the Shared Facilities providing a minimum coverage of Five Million Dollars ($5,000,000) per occurrence, together with fire and major perils insurance sufficient to cover one hundred per cent (100%) of the repair and/or replacement costs of all property contained within the Shared Facilities.

7.2 Insurance Trust Agreement

In the event of substantial damage to the Shared Facilities, each Corporation agrees to enter into an insurance trust agreement in accordance with its declaration, which agreement shall either generally or specifically contain provisions regarding the manner in which insurance proceeds are to be distributed when arising from damage caused to the Shared Facilities or any of them.

7.3 Proceeds of Insurance

Each Corporation agrees, subject to the provisions set forth in Section 123 of the Act, to apply any insurance proceeds paid under its insurance policy and to direct the insurance trustee to pay any such proceeds towards the repair and/or replacement of the Shared Facilities following any occurrence of damage to the Shared Facilities.

7.4 Uninsured Loss or Damage

In the event damage occurs to any part of the Shared Facilities caused by any accident or mishap which is not covered by any policy of insurance whether prescribed or not under this Agreement and which is not caused by the wilful act or negligence of either party to this Agreement, such damage shall be borne in the same proportion as those parties are then liable pursuant hereto, to pay for the operation, maintenance, repair, replacement and inspection of the Shared Facilities.

Article 8
SELF HELP REMEDY

8.1 Enforcement of Remedy

In the event that either Corporation (the "**defaulting party**") fails to perform any of its obligations under this Agreement, and the other Corporation (the "**requesting party**") wishes to do so, the requesting party may provide the defaulting party with written notice requesting it to perform its obligations, and if the required obligation to be performed is not commenced within seventy-two (72) hours of such notice being delivered (or such earlier period of time in the case of an emergency and/or interruption of services) and is not diligently continued after the giving of such notice, the requesting party shall be entitled to perform the obligation of the defaulting party, including without restricting the generality of the foregoing, the payment of any cost of expense required to be made by the defaulting party pursuant to this Agreement, including the performance of the required repair or replacement work in the hiring of contractors, and such requesting party shall be allowed entry on to the defaulting party's lands to achieve this purpose. The defaulting party agrees to pay directly to the requesting party any cost or expense actually paid or incurred by the requesting party in performing the obligations of the defaulting party pursuant to this Agreement and any such cost or expense shall bear interest at the same rate as is provided for in Article 6.6 of this Agreement with respect to non-payment by any defaulting party of its Proportionate Share or contribution of the cost of maintaining the Shared Facilities.

8.2 Force Majeure

Whenever and to the extent any party hereto is prevented, hindered or delayed in the fulfilment of any obligation hereunder, or in the doing of any work or the making of any repairs or replacements by reason of force majeure, that party's liability to perform such obligation shall be postponed, and it shall be relieved from any liability in damages or otherwise for breach thereof, for so long as and to the extent such prevention, hindering or delay continues to exist. The term "**force majeure**" means any war or other similar catastrophe, acts of the Queen's enemies, riot or insurrection, or the failure or inability of any governmental authority to supply any services or other public utility which serves the Two Condominium Corporations.

Article 9
CERTIFICATE OF STATUS

9.1 Certificate of Status

Each of the parties hereto agrees, at any time and from time to time during the currency of this Agreement, within Ten (10) days after written request, and the payment of a fee not in excess of Fifty ($50.00) Dollars, by any other party to this Agreement (the "**Requesting Party**") to execute, acknowledge and deliver to the Requesting Party, a certificate stating:

(a) Whether this Agreement has been modified and if so, the nature of such modifications and confirming that it is in full force and effect.

(b) Any existing default by any of the parties to this Agreement to its knowledge, and specifying the nature and extent thereof and in particular, whether each party has paid its proportionate allocated amount of costs or expenses it is required to pay hereunder, including whether any of the parties claims a lien or charge pursuant to the provisions of Article 6.6 hereof. Notwithstanding the foregoing, each Corporation agrees to provide to the declarant, upon request, on its own behalf or on behalf of any original purchaser of a dwelling unit in Building A or in Building B, within ten (10) days after written request, the aforesaid certificate without fee or charge to the declarant.

In the event the requisite support of the unit owners in each Condominium Corporation is obtained pursuant to Section 120 of the Act, and the amalgamation of the Two Condominium Corporations into a single condominium plan is effected, then this Agreement and all rights and obligations hereunder may be terminated in which event each party to the Agreement shall jointly execute a release in registrable form and deliver same to the other; otherwise, this Shared Facilities Agreement shall not be terminated and may be modified only with the consent of the parties hereto.
